AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Across Texas, parents overwhelmingly approve of public schools and choose that path for their children's education; however, lawmakers must acknowledge that kids across Texas have diverse needs. S.B. 1 empowers parents to make choices for their children by opening up alternative education opportunities with their tax dollars by providing eligible students the opportunity to access an \$8,000/year education savings account (ESA). Currently, 31 states, Puerto Rico, and Washington, D.C., offer school choice, and there is no reason Texas should not offer the same opportunities.

Students would be eligible to apply for an ESA if they are a current public school student, current private school student or entering kindergarten or Pre-K for the first time. The ESA program provides funds to be spent on tuition and fees at an accredited private school and other approved educational expenses such as textbooks, uniforms, tutoring, transportation, educational therapies, and academic assessment fees. Various safeguards are put in place for the responsible use of funds and prevent fraud, including random audits of program accounts.

As proposed, S.B. 1 amends current law relating to the establishment of an education savings account program.

Rulemaking authority is expressly granted to the Comptroller of Public Accounts of the State of Texas in SECTION 2 (Sections 29.356, 29.358, 29.362, and 29.372, Education Code) of this bill.
